## 8th Grade Technology Assessment

As we grow older, technology grows along with us. Someday way off into the future, your kids will be adept at using a form of technology that doesn't even exist yet! That said, young people still need to learn about the various technological innovations that came before them and in this eighth-grade quiz we aim to help them do just that!

## Using Technology to Assess Reading Literacy | Study.com

Using technology to assess literacy skills is just a smart move. It gives teachers data on a student's current level of performance and details for future instruction.
