Modern Architecture: Characteristics & Style ...

Architecture comes in many different styles with different characteristics. This lesson is about the style of modern architecture and how to identify modern buildings.

Characteristics of Living Things Video

Characteristics of Living Things. Trying to determine if something is alive can be a little tricky. If you walk up and kick a tree trunk, nothing happens.

Epidemiology

Epidemiology is the study and analysis of the distribution (who, when, and where), patterns and determinants of health and disease conditions in defined populations.. It is the cornerstone of public health, and shapes policy decisions and evidence-based practice by identifying risk factors for disease and targets for preventive healthcare. Epidemiologists help with study design, collection, and ...
